5. (Confidential - GLC) After talking with Mr. Wattles, I returned to Mr. Lee Williams, Administrative Assistant to Senator Fulbright, the note from Mrs. Nina Young about the interest of [REDACTED] in a position with Air America or Air Asia as a pilot. I said we had passed on Senator Fulbright's interest in [REDACTED] and suggest that [REDACTED] write directly to Mr. [REDACTED] about employment prospects there. I made it clear we did not know whether Air America would have an opening in a position for which [REDACTED] was qualified and interested.

6. (Confidential - GLC) By way of followup to discussions at today's briefing of the Senate Intelligence Operations Subcommittee, I contacted Senator Ellender's office about the Senator's film of his Indochina trip in 1956. In the absence of Mr. C. B. Morrison, Miss Marihelen Horneman, of Senator Ellender's staff, said the film had been located but would not be available until early next week.

7. (Secret - JMM) Accompanied the Director, Colonel White, Bronson Tweedy, Carl Duckett, Cord Meyer, and John Clarke in a briefing on the Agency budget before the Intelligence Subcommittee of the Senate Appropriations Committee.

8. (Confidential - JMM) Called David Abshire, Assistant Secretary of State for Congressional Relations, and told him of the discussion regarding RFE and RL at today's session of the Intelligence Subcommittee of Senate Appropriations. Abshire said he had no word on whether Clark MacGregor had gotten through to the President about calling Senator Ellender, but would try to find out and let us know. We also talked about other people who might have some influence on Senator Ellender but concluded only the President and certainly no one less than the Secretary of State could do much at this stage.
